### GENUINE HITACHI CAB GLASS

To suit EX, ZX, LX & ZW Models

Our glass is designed specially for Hitachi cab frames, meaning a perfect fit no matter what window needs replacing. No more rattling windows or dust intrusion from incorrectly contoured glass.

Hitachi cab window glass is built tough to rigid OE standards, meaning you're protected from falling or flying objects and is purposely made for excavation operations. Hitachi genuine window panes also provide a protective tint against the harsh summer UV rays.

**Get the right fit with Genuine Hitachi Cab Glass**

## DONALDSON 4WD KITS

Quality, reliable filtration is an essential component of maintaining sophisticated, modern diesel engines.

Over the past decade, numerous emissions standards and engineering achievements have come together to create advanced, clean and flexible engines. These diesel engines operate under high pressures and require an increasingly higher degree of filtration.

Whereas most 4WD filter brands have been developed by automotive filter specialists, Donaldson is an industry leader in heavy-duty filtration for off-road diesel engines.

With Donaldson's range of Heavy Duty 4WD Filter Kits, your engine will operate with better protection between filter replacements and save you on costly downtime and repairs.

**Enquire now at [cableprice.co.nz](http://cableprice.co.nz)**
